

Play Noises of Children Disturbed Her Meritone Puts Nerves Back in Shape for Run Down Woman

"I don't notice the noise of the children at play nearly so much now. My nerves are quieter and stronger," said Mrs. H. J. Dudley, of Franklin, Tennessee, near Nashville.

"It surely has helped my nerves, though I've only been taking Meritone a short time. I sleep a lot better at night now, too."

"My stomach was out of order, too, before I started taking Meritone. It seemed that my appetite had left me entirely."

"Meritone has put my stomach back in good condition and my appetite has come back fine."

"I can notice, also that my

strength has rapidly increased since taking Meritone."

Meritone is the new strengthener, builder and system tonic that folk who had influenza or pneumonia are advised to take to build them up to their normal health. Meritone also is excellent for such disorders of the system as stomach, liver or kidney trouble or catarrh or rheumatism.

Meritone is sold exclusively in Huntingdon by Townes Drug Co.

"A Live Wire"

That it "pays to advertise" was never better illustrated or more forcefully shown than during the past week, when Huntingdon was invaded by J. J. Flowers, of New York city. The unique and novel methods employed by Mr. Flowers aroused interest and caused much comment from McKenzie to Hol-low Rock. The Jamison store has been crowded to capacity all the week, and the enthusiasm has extended throughout the vicinity. This paper is always ready to commend any man who has the "get up" and "hustle" in him that characterizes Mr. Flowers in his profession, and we wish for him many more weeks of success in his important field of "advertising."

Sunday Ball Illegal

A recent special from Nashville says:

The court of civil appeals today held the playing of Sunday baseball here unlawful and authorized an injunction to issue against the local club playing Sunday games. The court, however, declined to decree the forfeiture of the club's charter. The circuit court had denied the appeal for such an injunction. The case before the court was that of the state on relation of the governor and the attorney general against the Nashville Baseball Association.

Sweet Potatoes

Gleason sweet potato growers are loading out a number of cars of sweet potatoes this week for the northern markets. The price paid for the tubers is \$2.35 per bumper of 48 pounds, f. o. b. Gleason. This is the best price ever paid in this section for sweet potatoes and is the result of a selling organization which protects the grower.—Dresden Enterprise.

J. A. Trawick last week bought a farm near McMoresville from R. E. Allen. The consideration was \$3,500. Mr. Allen had owned the farm only a few weeks, paying \$3,000 for it when he bought it. Mr. Allen has moved to Rutherford to enter the poultry business.

NASHVILLE DELEGATION

Gov. A. H. Roberts, A. L. Todd, speaker of the Tennessee Senate; Mayor William Gupton of Nashville, E. S. Shannon, postmaster of Nashville and C. C. Gilbert, secretary of the Tennessee Municipal League attended the conference of governors and mayors with President Wilson on the reconstruction program in Washington last Monday. The president welcomed the visitors in a four minute speech in which he impressed upon them the importance of taking counsel from the "common man". This counsel must be sought and heeded by those in authority.

RECORD OF THE PAST

No Stronger Evidence Can Be Had in Huntingdon

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Any one with a bad back; any reader suffering from urinary troubles, from kidney ills, should find comforting words in the following statement: "Lonnie Vawter, prop. of drayage business, Paris St., Huntingdon, says: 'I had backache most of the time. My kidneys didn't act properly and I was in pretty bad shape. I used Doan's Kidney Pills, and they soon made me better. I have had no trouble from my back or kidneys since. I can't recommend Doan's Kidney Pills too highly.'"

(Statement given February 16, 1911).

On May 25, 1918, Mr. Vawter said: "Since I recommended Doan's Kidney Pills before, I have taken them on a few occasions with the same fine results. I wish to confirm all I have previously said for this remedy."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Vawter had. Foster-Milburn Co., Buffalo, N. Y.
